### **Eduss Mathematics & English Special Christmas Offer**

Eduss would like to thank the parents and teachers for the excellent support they have received. As a special end of year offer they have agreed to extend their \$200 discount to the 31 December 2002.

This software would make an excellent value Christmas present. Your children will find them both fun and educational. These are not just game based software programs. They are a personalised tutoring program that can automatically Assess, Report, Remediate and Extend your children. These programs cover every Maths & English subject your child will encounter from grades 1 to 8. Many of the best schools in the nation including High Schools now use this software. If your children had difficulty this year this software will improve their ability without having to pay for tutoring or software programs with fewer features costing several thousand dollars.

Christmas Offer details: Total cost of \$175 ea or \$325 for both with full money back guarantee. There are easy payment plans also available. Telephone Eduss direct on 1800334633
