St Mary's CE (Aided) Primary School is situated in the village of Pulborough. There are 240 pupils on taught in nine classes. Pupils come from the immediate locality and also from nearby villages. Pictured above are students active in their use of Eduss in the computer lab. The school is committed to providing a broad, balanced and rich curriculum which recognises individual needs and through which pupils may learn appropriate knowledge, skills and understanding, develop their moral and spiritual awareness and interdependence.
